DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 2 July 2007 has been entered.

Response to Amendment

2. This action is responsive to the amendment filed on 2 July 2007. Claim 20 has been amended. New claims 31-33 have been added. Claims 1-19 have been previously withdrawn from consideration. Claims 1-33 are pending in the application.

Response to Arguments

3. Applicant's arguments, see pages 7 and 8, filed 2 July 2007, with respect to claims 20-33 have been fully considered and are persuasive. The rejections/objections of claims 20-30 have been withdrawn. The examiner agrees that the prior art neither discloses nor makes obvious the limitation of the optical paths being formed on oppositely disposed surfaces of the first planar layer and optical paths being formed on oppositely disposed surfaces of the second planar layer. The prior art also fails to disclose or make obvious the limitation of plural optical paths being formed on two

sides of the first planar layer and plural optical paths being formed on two sides of the second planar layer.

Election/Restrictions

4. This application is in condition for allowance except for the presence of claims 1-19 directed to an invention non-elected with traverse in the reply filed on 19 July 2005. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.

Allowable Subject Matter

5. Claims 20-33 are allowed.

Conclusion

6. This application is in condition for allowance except for the following formal matters:

Withdrawn claims 1-19 need to be cancelled.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
